Notes to the Notice of General Meeting

1. Shareholders' right to appoint a proxy

A member is entitled to appoint the Chairman of the meeting to exercise all or any of the member's rights to attend, speak and vote at the meeting. You can only appoint a proxy using the procedures set out in these notes.

2. Proxy Voting

Proxy Voting Notes:

1. Appointment of a proxy does not preclude you from attending the meeting and voting in person. If you have appointed a proxy and attend the meeting in person, your proxy appointment will automatically be terminated.
2. A proxy does not need to be a member of the Company, but must attend the meeting to represent you. To appoint as your proxy the Chairman of the meeting, please indicate as such in the electronic system or printed form (a printed proxy form will only be sent if requested by you).
3. To direct your proxy how to vote on the Resolution please complete the vote on the electronic system, or mark an "X" on a printed form. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the meeting.
4. In the case of a member which is a company, either a proxy form may be executed under its common seal, or alternatively signed on its behalf by a duly authorised officer or an attorney for the company.
5. Any power of attorney or any other authority under which the proxy form is signed (or a duly certified copy of such power or authority) must be received by Link Group no later than 11:00am on 7th October 2024.
6. In the case of joint holders, the signature of only one of the joint holders is required, but the names of all joint holders should be stated. The vote (whether in person or by proxy) of the first named on the register of member of the Company will be accepted to the exclusion of the other joint holders.

3. Voting

To be entitled to vote at the GM (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the register of members of the Company at 7th October 2024 (or, in the event of any adjournment, close of business on the date which is two days before the time of the adjourned meeting, excluding any part of a day that is not a working day). Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to vote at the meeting. Voting at the GM will be conducted by way of a poll rather than on a show of hands. The Board believes a poll is more representative of shareholders' voting intentions because shareholders' votes are counted according to the number of shares held and all votes tendered are taken into account. It is expected that the total of the votes cast by shareholders for or against or withheld on each resolution will be published on the Company's website, www.touchstone.co.uk, after the GM.

To vote electronically you will need to register an account with our Share Registrar. The account can be registered at: <https://investorcentre.linkgroup.co.uk/Login/Login>. You will need your Investor Code to set up an account. This is detailed on your share certificate, and any previous dividend paperwork you hold. Once registered as well as being able to vote electronically on the resolution, you can also update any address details, your preferred payment method and see your dividend history etc. We recommend registration.

Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.
