### **General Meeting**

The details of the resolution and how to vote if you cannot attend the General Meeting, are detailed in the enclosed Notice of the General Meeting. To vote electronically you will need to register an account with our Share Registrar. The account can be registered at:

[www.signalshares.com](http://www.signalshares.com)

You will need your Investor Code to set up an account. This is detailed on your share certificate, and any previous dividend paperwork you hold. Once registered as well as being able to vote electronically on the resolution, you can also update any address details, your preferred payment method and see your dividend history etc. We recommend registration.

If you are an institutional investor you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to [www.proxymity.io](http://www.proxymity.io), and refer to the Notice of the General Meeting.

Yours faithfully

Chris Butler
